# Homecoming '72

The cheerleaders add a lot of spirit to all our games, and no Homecoming could be complete without them.

The 1972 Football team elected as their Homecoming Royalty Queen Albey Dale, Senior Maid Mary Cordle, Junior Maid Pam Townsend, Sophomore Maid Gloria Smith, and Freshman Maid Stella Chandler.

Members of the royal court are Gloria Smith, Mary Cordle, Albey Dale, Pam Townsend, and Stella Chandler.

Captain Larry Brasher and Co-Captain Randy Pope escort the Homecoming Queen.

This post-game huddle was seen at all the '72 Panthers games, and we hope it, as well as their winning season, will become a Riverside tradition.

Mr. Townsend's American Government Classes sponsored a mock general election that was fairly successful. The results were identical to the way the real elections in Tennessee turned out.

Initiations are a part of every year at RHS.

All the students at Riverside are always willing to get out of class to see a Southern Assembly Program.

These FFA boys always seem to be competing and winning prizes.

State Representative G. L. Teague presents a state flag to Mr. Stanfill.

# *The Round World Of Riverside*

Through the eyes of the fish  
of Beech River, the students  
of RHS are seen in a new  
perspective.

In the dead of Winter Riverside High is alive with excitement.

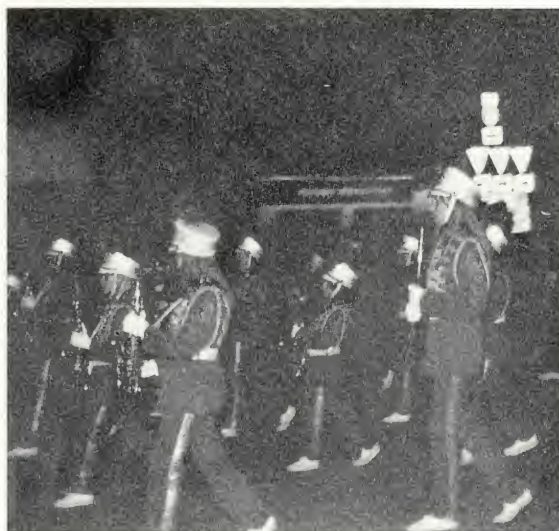

Christmas is more than just a time for being merry. Eating and drinking seem to be a part of the festivities that RHS students can't ignore.

## Homecoming 1973

This was the fourth annual RHS Basketball Homecoming. It was the climax of the '72-73 season, and an appropriate beginning for the District 15S Tournaments which were hosted by Riverside this year.

The picture at left shows the Queen being crowned by Mr. Bill Perry, President of the Riverside Quarterback Club. The royal court is shown below as they leave the stage.

# ADMINISTRATION

the long night  
the sound of water  
says what I think

Mrs. Wanda Conder and Mrs. Mary Jo Shell are the two very efficient secretaries who help to keep everything at Riverside in order.

Mrs. Alice Reid, our guidance counselor, is always there to give a kind helping hand to students in their time of need.

Mrs. Peggy Hayes and Mrs. Jimmie Dixon, our teachers aides, are always willing and waiting to serve our teachers.

As assistant principal, Mr. Chandler has contributed much to the discipline at Riverside. He is always busy and works hard to keep R. H. S. running smoothly.

Understanding and patient are two words which describe our principal, Mr. Wayne Stanfill. His willingness to serve the students has made him a well respected principal.

*Life and death on this planet  
now lie in man's hands.  
At depth after depth  
we penetrate these phenomena which encompass us.  
Still beyond our grasp  
shimmer the ultimate truths.  
Unless we master these,  
how shall we learn — not to die — but to live?*

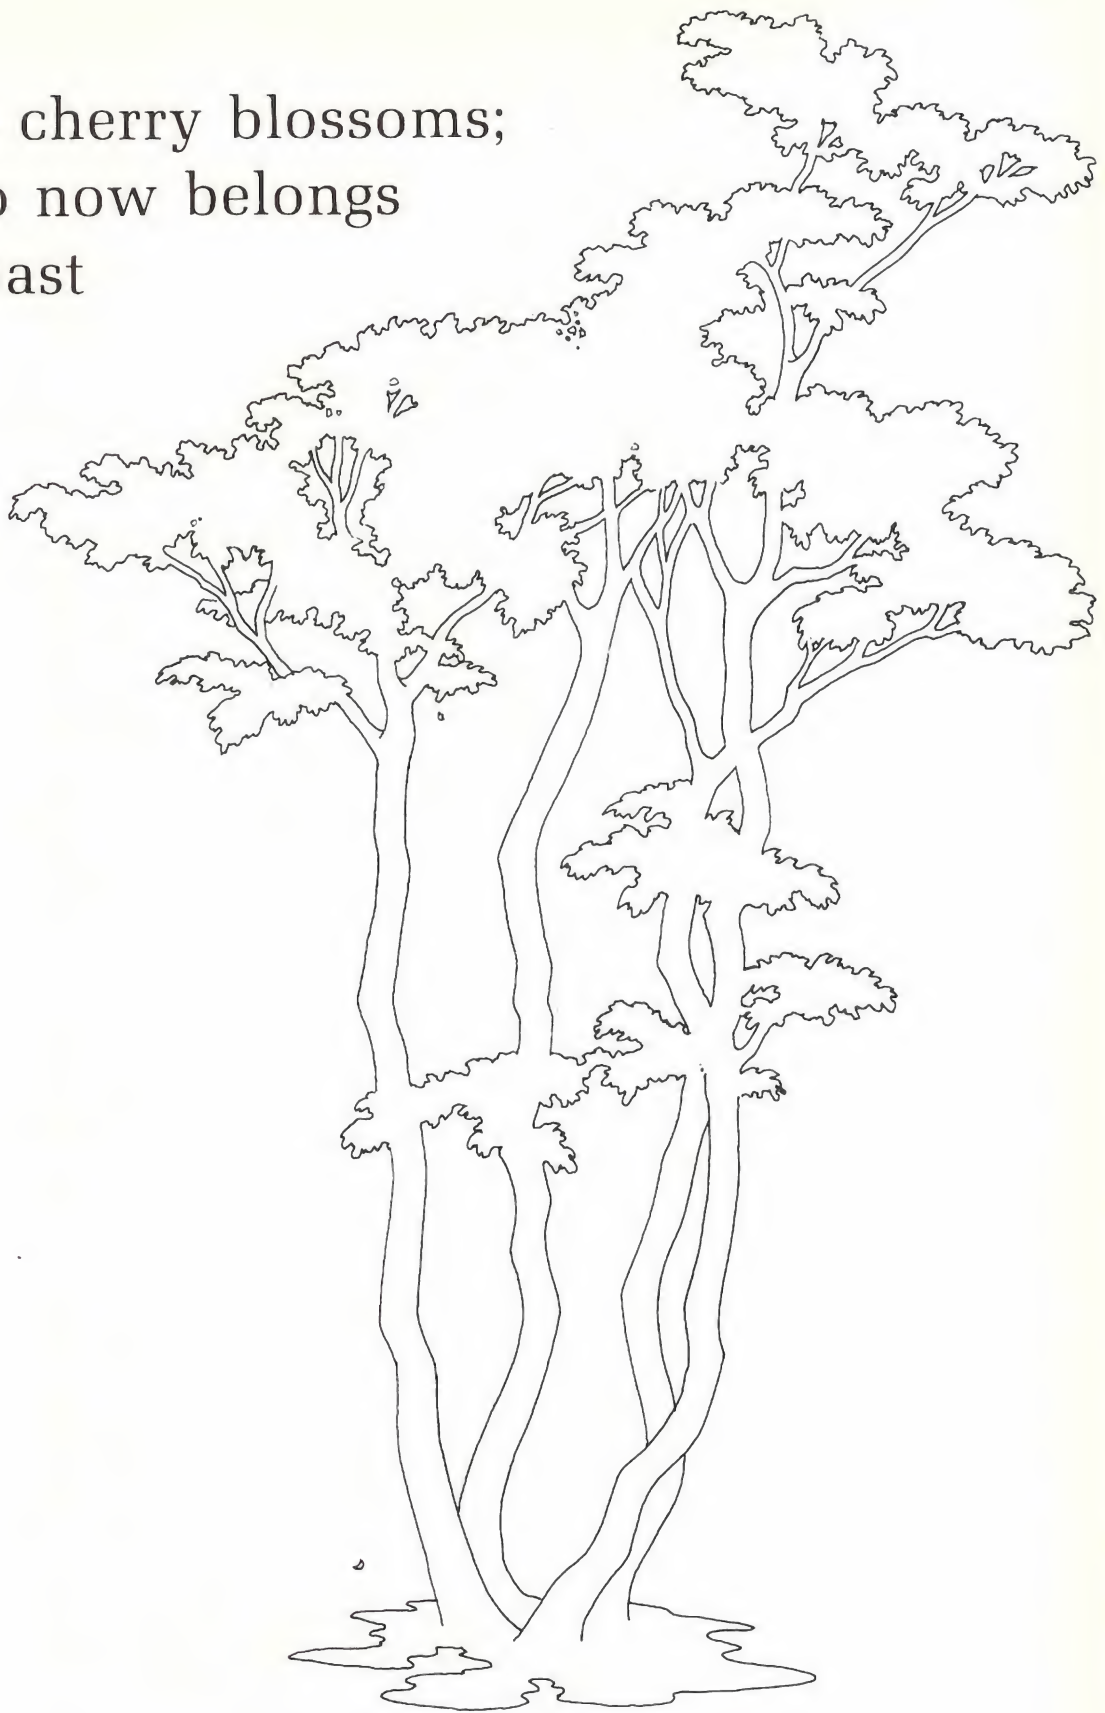

There's always one that soars above the rest.  
In class rings, announcements, diplomas,  
club pins, medals and trophies, that one is  
Balfour, America's first jewelry manufacturer  
— and still the finest!
